

OREGON HOSA CHARTER INFORMATION AND APPLICATION

I am trying to fill in some blanks and hoping that you all can help me.

Chapter affiliation dues are sent to the national office and they assign charter numbers. Here at the state office, I have no records of any state charters being issued. I do not even have a record of dates that chapters affiliated.

This year I am hoping to issue state charters to all current affiliated chapters as well as new chapters as they affiliate.

1. If you are a new chapter, affiliating for the first time, please fill out the Charter Application and return it to me.
2. If you are a current affiliate, please let me know to the best of your knowledge
 - ➡the year your chapter affiliated
 - ➡the charter number if you know it.

This information can be emailed to me: jane.manning@wesd.org.
OR fill out the Oregon HOSA Charter Application and fax to the number below.

Thank you,
